

## About DataArt:

DataArt is a global software engineering firm that takes a uniquely human approach to solving problems.

With over 20 years of experience, teams of highly-trained engineers around the world, deep industry sector knowledge, and ongoing technology research, we help clients create custom software that improves their operations and opens new markets. Powered by our People First principle, we work with clients at any scale and on any platform, and adapt alongside them as they evolve.

We integrate our engineering excellence with deeply human values that drive our business and our approach to relationships: **curiosity, empathy, trust, honesty, and intuition**. These qualities help us deliver high-value, high-quality solutions that our clients depend on, and lifetime partnerships they believe in.
